In re Application of: :  
**KEVIN BENSON MCNEIL** :  
Serial No.: 09/612,697 : Group Art Unit: 1774  
Filed: July 10, 2000 : Examiner: B. Hess  
FOR: PROCESS FOR MAKING SHEET :  
HAVING INDICIA REGISTERED WITH :  
LINES OF TERMINATION :

TERMINAL DISCLAIMER

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Petitioner, The Procter & Gamble Company, is the owner of the entire right, title and interest in the above-identified application (the assignment recorded on 5/26/1996 at reel 7963, frame 0424). Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §154 to §156 and §173 as presently shortened by any terminal disclaimer, of prior Patent No. 5,802,974, issued 9/98/1998 (the assignment recorded on 5/20/1996 at reel 7947 , frame 0103). The evidentiary documents for the assignments have been reviewed, and petitioner certifies that to the best of petitioner's knowledge and belief, title is in the assignee to take this action. Petitioner hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that it and U.S. Patent No. 5,802,974 are commonly owned. This agreement runs with any patent granted on the above-identified application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, petitioner does not disclaim the terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §154 to §156 and §173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The undersigned is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Authorization is given to charge Deposit Account No. 16-2480 for the fee required under 37 CFR §1.20 (d) for submission of this Terminal Disclaimer. A duplicate copy of this correspondence is enclosed to facilitate charging of the fee.

Respectfully submitted,

**FOR: KEVIN BENSON MCNEIL**
